

Step 1

Enter your company name and postcode to allow the system to check that you are not already registered.

Step 2

Complete the basic information (which allows an account to be created)

Step 3

Select the service option by selecting the appropriate tier you wish to register with.

This will then give you another service option, [FPAL Notice](#) that you may also wish to purchase. Once selected please click on the 'buy now' button.

Step 4

Select the payment method (cheque, bank transfer, debit card or credit card).

Step 5

You will receive an email containing the pro-forma invoice, your user id and password within 60 minutes on completing registration.

Step 6

Log on and begin completion of the online registration questionnaire.
